

Nils Myszkowski, PhD

Associate Professor of Psychology

Summary

- PhD in Psychology (obtained in 2013 from Paris Descartes University)
- Tenured Associate Professor of (Quantitative) Psychology, former graduate program co-director, instructor of research methods and psychometrics
- Recipient of the 2020 Berlyne Award for Outstanding Contributions by an Early Career Scholar from the *American Psychological Association* (Division 10)
- 47 peer-reviewed journal articles (*Journal of Personality, Personality and Individual Differences, British Journal of Psychology, Physics of Life Reviews, Group Decision and Negotiation, Psychology of Aesthetics, Creativity and the Arts, Learning and Individual Differences, Intelligence*, etc.)
- Author of a book: “Item Response Theory for Creativity Measurement” (Cambridge University Press).
- R enthusiast (creator, developer and maintainer of 3 R libraries distributed on CRAN, with over 100,000 downloads, and a library featured in RStudio’s package picks), with additional experience and publications using SPSS, JASP, Stata and Mplus
- Professional experience as lead psychometrician and statistics consultant (freelance and in multi-disciplinary academic teams)
- Special interests in socio-emotional (“soft”) skills/traits, creativity/innovation measurement, openness/intellectual engagement, career adaptability, within-person variability

Education

- 2013 **Ph.D. in Psychology**, *Université Paris Descartes, Laboratoire Adaptations Travail-Individu (Laboratory of Work-Individual Adaptations)*, Advisors : Pr. T. Lubart & F. Zenasni.
- 2010 **Master’s degree in Psychology**, *Université Paris Descartes*.
- 2008 **Bachelor’s degree in Psychology**, *Université Paris Descartes*.

Full-Time Academic Appointments

- Since 2021 **Associate Professor of Quantitative Psychology (Tenured)**, *Department of Psychology, Pace University, New York City*.
- 2015-2021 **Assistant Professor of Quantitative Psychology (Tenure-Track)**, *Department of Psychology, Pace University, New York City*.
- 2014-2015 **Full-time Lecturer of Quantitative Psychology**, *Department of Psychology, Pace University, New York City*.
- 2013-2014 **Assistant Professor of People Management**, *Department of Management, Strategy, & Business Environment, ESCE International Business School (Laureate Universities), Paris, France*.

Other professional experience

- Since 2018 **Freelance Psychometrics and Statistics Consultant**.
- 2013-2014 **Co-Founder and Lead Psychometrician**, *Praditus (Vocational guidance assessment/coaching start-up)*, Paris, France.
- 2013 **Psychometrician**, *PSYA (Occupational Health Assessment Company)*, Paris, France.

Awards & Honors

- 2020 **Berlyne Award for Outstanding Contributions by an Early Career Scholar**, *American Psychological Association, Division 10 (Society for the Psychology of Aesthetics, Creativity and the Arts)*.

Grants & Funding

External

- 2024 **Principal Investigator**, *Conducting psychometric and statistical analyses for NSF grant.*, Sub-award from City University of New York.
\$ 14,800 Awarded to Pace University
- 2024-2025 **Co-Principal Investigator**, *Developing, Field-Testing, and Validating an Elementary Algebra Concept Inventory Database For Use In The College Context*, (funded by the National Science Foundation, Program ECR-EDU Core Research), Award # 1760491.
\$ 1,500,000 Awarded to City University of New York
- 2015-2017 **Co-Investigator**, *Measurement & Development of Narrative Imagination (NI)*, (funded by the John Templeton Foundation through Imagination Institute), RFP-15-05.
\$ 198,695 Awarded to Pace University

Internal

- 2024 **Principal Investigator**, *Pregnancy, parenthood and cognitive functioning: A large scale analysis of public health data*, Pace University Scholarly Research Grant.
\$ 1,350 Awarded
- 2024 **Principal Investigator**, *Socio-economic factors of literacy: Disentangling measurement biases and individual differences in an international assessment database.*, Pace University Course-based Undergraduate Research Experiences Award.
\$ 4,966 Awarded
- 2023 **Principal Investigator**, *Investigation of the fairness of the Visual Aesthetic Sensitivity Test-Revised (VAST-R) across demographic variables*, Pace University Scholarly Research Grant.
\$ 895 Awarded
- 2023 **Principal Investigator**, *Item response theory for creativity measurement*, Pace University Book and Performance Completion Award.
\$ 4,915 Awarded
- 2020 **Principal Investigator**, *Studying eye movement and emotional response in visual aesthetic sensitivity tasks*, Pace University Scholarly Research Grant.
\$ 1,935 Awarded
- 2019 **Principal Investigator**, *Development of statistical and psychometric models*, Pace University Dyson Faculty Summer Research Grant.
\$ 595 Awarded
- 2018 **Principal Investigator**, *Understanding aesthetic ability through eye-movement analysis of visual aesthetic sensitivity tasks*, Pace University Scholarly Research Grant.
\$ 1,958 Awarded
- 2017 **Co-Faculty Mentor**, *Assessing Aesthetic Judgment and Related Skills (Student: Rosemary Leo)*, Pace University Provost Undergraduate Student-Faculty Research Program.
- 2016 **Faculty Mentor**, *Development of a Multifaceted Measure of Aesthetic Ability (Student: Danielle Saliani)*, Pace University Provost Undergraduate Student-Faculty Research Program.
